Inconsiderate and dangerous parking is one of the many issues that gets reported to the police. The Fosse Villages beat team have received numerous reports regarding vehicles being parked in dangerous locations outside of school entrances and vehicles also have been causing obstructions on pavements. We would like to remind members of the public to park in a considerate and non-obstructive manner. Ensuring pedestrians, both adults and children's safety is paramount.

Common types of parking issues

Someone blocking your driveway

If someone has blocked your driveway so you can't drive in, we appreciate this can be very frustrating.

If you can find the owner of the vehicle, we'd first recommend asking them politely to move it. If you can't find them, try leaving a note on their windscreen. After all, they may not realise they have caused a problem.

If this doesn't work, please contact your [local council](#) who should be able to contact the vehicle's owner and arrange for it to be removed if necessary.

If a person has blocked your driveway and is preventing you from getting your own vehicle out, this could be deemed as antisocial behaviour. In this case, we may be able to help. You can [report antisocial behaviour online](#).

Illegal parking

If the vehicle is parked on zig zag lines, dangerously or in a way that would prevent emergency vehicles from accessing [You can report these to us online](#)

If a vehicle is parked opposite or within ten metres of a junction, over a dropped kerb, on a pedestrian crossing (including area marked by the zig-zag lines), in spaces reserved for blue badge holders, residents or motorbikes (unless entitled to do so), in marked taxi bays, cycle lanes or red lines, near a school entrance, bus or tram stop, anywhere that would prevent access for emergency services please report it to your local council.
