The 2023 Boundary Commission Review

The Boundary Commission for England has published its initial proposals for new constituency boundaries. The proposals and maps for the nine English regions have been published on the website.

The 8-week public consultation period has commenced. This will be the first time the public will get a chance to see what their new constituencies might look like, and give the Commission their views on the proposals.

For the 2023 Review, the Commission is promoting use of a specifically designed consultation website as the primary tool for displaying their proposals, and receiving comments on them. This is available at www.bcereviews.org.uk . Any queries contact information@boundarycommissionengland.gov.uk

902-07/21 Parishioners Time Inc. Local Concerns Reported to Members/Clerk

Mr Loomes wished to discuss a potential planning application for a new bespoke residence on his existing land.

Prior to the discussion continuing, CC Nick Chapman left the mtg due to the content to be discussed being of a planning nature, potential conflict of interest due to planning position held via BDC.

Mr Loomes advised current property now not sufficient for disabled daughters’ needs and care requirements i.e. ‘independent living’ whilst 24 hour support present, whilst the planned new property would incorporate and meet all.

Members agreed design and environmentally ‘clean’ house recognised, although the property would still remain outside of the existing boundary.

Area not designated officially as ‘brown field’ site nor was the application previously submitted to convert from agricultural to garden use not progressed/completed so still deemed ‘green’ site.

Adopted Fosse Villages Neighbourhood Plan reinforces the boundary and site identification and has now been accepted, adopted and in place from May 2021.

Dispensation also used on original property now permanent residence with regards suitability and ability to incorporate disabled child’s needs, questions therefore maybe raised as to why this is now no longer valid.

Members advised, ultimately TPC are ‘consultee’. BDC policy would ultimately decide.

Approved by Full Council

RT thanked the family for attending and discussing their plans.

CC Chapman returned to the meeting.
