CC Chapman did not file or submit a report with no apologies for non-attendance received.

CC Breckon after being made aware of outstanding issues apologised and provided the following:
Firstly, can you give me my apologies for tonight's meeting.

Secondly, not a lot to report, other than as Lead Member for Resources, along with the Leader, we have been making everyone aware of the financial challenges County faces.

I will not requote press statements or media coverage to date (including the latest Leicestershire Matters) but just to say that no decisions have been made, we are carrying out massive exercises at the moment across all departments, assets, efficiencies and ways of working which will result later this year in consultations being held which we will want every ones views. Once I have this, I will attend TPC in person and ask for your input.

Lastly, I am available for the December meeting if required.

Chair confirmed that CC Breckon had been invited to attend the Annual Awards event prior to December meeting and the meeting itself and this had been accepted.
